Subject: REMINDER - URGENT: NJ LEAGUE OF MUNICIPALITIES ANNUAL CONVENTION

January 16, 2013

Hello,

The New Jersey State League of Municipalities has requested that The Rutgers-Eagleton Center for Public Interest Polling contact EVERY municipality statewide on a matter of great urgency and importance in order to help the League make some key planning decisions for 2013. The New Jersey State League of Municipalities has begun planning for the 2013 conference to be held in Atlantic City from November 19 to 21, 2013. The League is also considering whether to reschedule the 2012 Annual Conference in February 2013.

We are interested in having a very short survey completed by the mayor of your community, or yourself, after consulting with your Mayor or other appropriate official. Again, the League has asked us to make a effort to contact leaders in EVERY municipality throughout the state so your responses are very important and must be provided NO LATER than the end of the day on January 16th.

If it is more appropriate to have someone else in your municipality (the Mayor or Manager/Administrator) complete this survey,

we ask that you forward it immediately to that person with your request that he or she complete it as soon as possible. In any case, please only complete this survey once for your municipality.

Your answers will be confidential, and only reported in combination with other respondents, so your answers will not be made public in any way.

Participation is voluntary, you may end your participation at any time, and you may skip questions you do not want to answer.

If you are willing to participate in this survey, please click the survey link below or copy and paste the URL into your browser: http://MunicipalitiesSurvey.int-research.com/?id=2587

Thank you for your time.

Sincerely,

The New Jersey State League of Municipalities
