Downtown New Jersey - DNJ - is a nonprofit organization focused on strengthening the State's commercial business districts, whether they are urban, suburban or rural; traditional downtowns; neighborhood shopping districts or commercial corridors.

Downtown New Jersey's membership includes commercial district management professionals, business operators, public officials, community volunteers, and real estate, architectural and planning professionals. All share a common interest in improving the health and vitality of their business districts. DNJ strives to be a strong resource for information and support of downtown initiatives in New Jersey. Our programs will benefit you and your organization. They include our Forum Series, our Annual Conference; our Best of the Best Awards Program; Downtown Business Assistance Teams, and a full week of activities as part of the League of Municipalities Conference in Atlantic City in November.
