**Subject:** Stormwater Overhaul Outreach Sessions on the DEP Website

Dear Mayor/Administrator,

The New Jersey Department of Environmental Protection has now posted the presentations from its October Stormwater Overhaul Outreach Sessions. This information can be found on the Department website at http://www.nj.gov/dep/dwq/msrp_home.htm. In addition to the presentations, the Supplemental Questionnaire for the Tier A Annual Report and the Stormwater Audit questions, both referenced during the presentations, have also been posted on the webpage. The purpose of these sessions was to provide information on stormwater-related Department initiatives that will impact your municipality.

If you have any questions, please contact the Bureau of Nonpoint Pollution Control at 609-633-7021.

Sincerely,

Cindy W. Randazzo
