Re: DEP Wants to Address Your Rebuilding and Recovery

Issues

Dear Mayor:

The NJ DEP has asked us to ask you to take a minute to tell us what information you need from the Division of Land Use Regulation to help you and your constituents rebuild. Please email to Cindy W. Randazzo, Director of DEP's Office of Local Government Assistance, at your earliest convenience, your top five Land Use permitting questions or concerns. DEP will use your responses to augment the current FAQs posted on the Division of Land Use's website. Please see the link below and view the frequently asked Land Use questions.

http://www.state.nj.us/dep/landuse/sandy.html

The current FAQs were developed specifically in response to Hurricane Sandy. The Department and the Division want to keep them current by amending them to keep them up to date. You will find guidance on what is regulated and more importantly what is **not** regulated. This valuable resource will assist you with what permits, if any, are necessary and will streamline the process of recovery and reconstruction.

Please take a look at the current FAQs and e-mail your suggestion to Director Randazzo at: cindy.randazzo@dep.state.nj.us

Thank you.

Very truly yours,

William G. Dressel, Jr.
Executive Director
