Re: Quarterly Meetings with Morris County Municipalities

Dear Lashway:

At the request of the Morris County Board of Chosen Freeholders, you are cordially invited to attend a work session here at the Morris County Economic Development Corporation offices on March 11th, 2014 to hear the following topics:

- TransOptions is a non-profit that brings free programs to municipalities and their residents to enhance their mobility and quality of life. These services, such as Safe Routes to School, carpool and vanpool development, and pedestrian, bicycle and driver safety programs, help make streets complete and efficient for all users, while emphasizing the importance of transportation to economic development.
- John F. Ciaffone, President, Richard Gentles, Vice-President, and Daniel Callas, Director of Marketing will be discussing what TransOptions can do for your employees, residents, and businesses.

We encourage participation from elected officials, township planners, administrators, members of your township economic development authority, and other interested parties.

The meeting will be held from 12 p.m. to 1:30 p.m. in the MCEDC conference room at 325 Columbia Turnpike, Suite 101, Florham Park. Lunch will be served.

If you have any questions or would like to discuss the agenda prior to the meeting, we welcome your call at 973-539-8270. Kindly RSVP by March 10th to Lindsey Santamaria at lsantamaria@morriscountyedc.org or 973-210-6076.

Thank you and we look forward to seeing you on March 11th.

Regards,

James D. Jones
Executive Director
Morris County Economic Development Corporation
