EVENT: Wildflower and Native Plant Hike in the Musconetcong Gorge
DATE AND TIME: Saturday May 24, 2014 10:00am to 12:00pm
PLACE: Musconetcong Gorge: 182 Dennis Road, Bloomsbury, 08804
CONTACT: Val Thorpe, 908-537-7060, val@musconetcong.org

Come out for a Wildflower and Native Plant Hike at the Musconetcong Gorge on Saturday May 24, 2014 10:00am to 12:00pm. This beautiful preserve, part of the Hunterdon County Park System, encompasses 425 acres and has trails that are sometimes steep and rocky with views of a scenic waterfall. We will be led by experienced birder and fern and wildflower expert, John DeMarrais, as we look for wildflowers, native plants, and birds; so be sure to bring your binoculars. The trails range from moderate to slightly difficult, and take advantage of the smoothest grounds but are steep in some areas. Don't forget to pack a light snack and bring a water bottle. MWA members are free, non-members are asked to donate $3. Please call (908) 537-7060 or email val@musconetcong.org to register. We will meet at Musconetcong Gorge: 182 Dennis Road, Bloomsbury, 08804.

Keep up-to-date on all upcoming MWA hikes and paddles, by joining our Meetup group at http://www.meetup.com/Musconetcong-River-Area-Outdoor-Activities/. It's free, and it only takes a moment to sign-up. Once you do, you will receive an email notification whenever we post an event.
