RHA CALL TO ACTION!

Bill Kibler, Raritan Headwaters Association Director of Policy, will speak during the New Jersey Highlands Coalitions' Rally to Save the Highlands at 12:30 p.m. Tuesday, October 27, on the steps of the Statehouse in Trenton.

NJ DEP plans to quadruple the development allowed in the Highlands Preservation Area. Protecting the Highlands, as well as important watersheds like the Raritan Watershed, parts of which lie within the Highlands Preservation Area, is the best way to ensure the state's long-term economic stability and water quality.
