The New Jersey Department of Transportation (NJDOT) Bureau of Research is looking for transportation-related research projects for presentation at the 17th Annual Research Research Showcase.

We welcome you to submit completed or nearly completed transportation-related research studies. If selected, you will present your work on the day of the conference at one of four breakout sessions covering these broad categories: Environment, Infrastructure, Mobility and Safety. A maximum of three 30-minute presentations for each of the breakout sessions will be selected by NJDOT Research Bureau personnel.

To be considered, you must email your proposed presentation topic(s) with accompanying abstracts to Janet Leli (jleli@rci.rutgers.edu), director of the New Jersey Local Technical Assistance Program, **no later than September 1, 2015**
