Dear Mayor, Clerk and / or Administrator,

In order to effectively and quickly deliver updates and information to Mayors and municipalities, the New Jersey Conference of Mayors maintains the most current and most accurate Mayors information directory.

We are in the process of updating our Mayors directory for 2013.

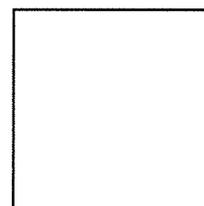

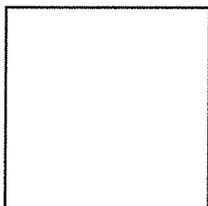

If your municipality has a new Mayor for 2013, please take a moment to fill out the following questionnaire. If your Mayor is continuing in term, we ask that you still review the survey and indicate if any other information has changed in the last year. (New location, change in staff, etc).

Once we have your updated information, we will update our online Mayors directory with name, address, website and fax number. Please note that this Mayors directory is proprietary to the NJCM, and we will not share information such as party affiliation, Mayor's mobile phone number, email address, or any personal information.

We sincerely appreciate your participation in our survey. This database will greatly help the NJCM with communicating and relaying information to you and all Mayors and municipalities of New Jersey.

Regards,
NJCM
