Our Mission

Founded in 2010, Friends of Waterloo Village (FOWV) is a nonprofit organization that is dedicated to the restoration of the magnificent, historic Waterloo Village. FOWV is working with the New Jersey Department of Environmental Protection, Division of Parks and Forestry. To date, hundreds of thousands of State funds have been expended to plan and repair buildings, but much more is needed. As you know, 100% of FOWV efforts are dedicated to preservation and restoration projects at Waterloo Village.
