**Congressional City Conference
Featured Speakers Announced!**

Gwen Ifill

Moderator And Managing Editor
of Washington Week
Co-Ancor And Managing Editor,
The PBS NEWSHOUR with Gwen Ifill
and Judy Woodruff

Andrea Mitchell

Chief Foreign Affairs Correspondent,
for NBC News and MSNBC

This year's Congressional City Conference held March 8-12 in Washington, DC, will feature top voices in today's political media. The conference will feature Gwen Ifill, Moderator and Managing Editor of Washington Week and Co-Ancor and Managing Editor of the PBS NewsHour, and Andrea Mitchell, Chief Foreign Affairs Correspondent for NBC News.

In addition to these speakers, the Congressional City Conference offers the latest news about federal programs, funding opportunities and resources available to implement the most innovative practices at the local level. The event will include informative workshops, training sessions and opportunities to engage with federal policy makers.
