**"Land Use Controls: Sustainable Energy Sources Present New Challenges"**  
**Wednesday, March 14, 2012**

**Mercer County Community College  
1200 Old Trenton Road, West Windsor, NJ 08550  
9 am—12:30 pm**

Explore in greater detail the relationship between existing land use controls and authorities exercised at the local level, and the prioritization of alternate energy sources, such as solar and wind. What part does sustainable energy play in the State Energy Master Plan and how will that plan be implemented? What controls are in place for local governments to regulate these uses?
