January 21, 2014

To the Municipal Clerk:

MLG

Please share the enclosed brochures with the Mayor and others in your municipality who may be interested in attending the 18th annual New Jersey Land Conservation Rally. The conference has several workshops directed to the interests and work of municipal land conservation.

The one day conference will take place on Saturday, March 22 at the Busch Campus Student Center of Rutgers University in Piscataway, New Jersey. The conference includes 21 workshops addressing topics in financing, stewardship, management and trends concerning open space and farmland. A special lunchtime session will feature ten community leaders of New Jersey telling a personal story about the importance of preserving land in the state.

Please distribute the postcards to the following interested groups, as appropriate in your town:

- Governing body
- Open Space Committee
- Environmental Commission
- ~~Agriculture Advisory Board~~
- Planning or Land Use Board
- Recreation and Parks Committee(s)
- Other municipal officials and volunteers interested in open space or farmland preservation.

CC's
MLG

If you would like additional postcards, including a pdf version, please contact me.

The conference is organized by a committee of twelve organizations and agencies, listed below. For more information and to view the full workshop program, visit the Rally website at www.njconservation.org/rally. If you have questions, contact Laura Szwak (908-234-1225x117; email Laura@njconservation.org).

Thank you for your help.

Sincerely,

Laura Szwak
