Subject: Notice of Service Change

Dear Municipal Official:

This is a courtesy notice to inform you that, due to the rising cost of providing quality premium programming, the rate for several FiOS TV premium entertainment packages will be increasing along with the introduction of a Regional Sports Network Fee. These changes will become effective March 1, 2013 for existing customers. Customers subscribed to a term promotional offering will not experience an increase until the end of their promotional term.

We realize that our customers have other alternatives for entertainment and our goal is to offer the best choice and value in the industry. Verizon appreciates the opportunity to conduct business in your community. Should you or your staff have any questions, please contact me at the email address noted.

Sincerely,

Gwen Cogan Brunelli
