RE: Pre-Cancellation Letter Regarding Application for Extension of a Freshwater Wetlands Letter of Interpretation – Line Verification
File No.: 1427-08-0004.1 (FWW 140001)
Applicant: New Jersey Foreign Trade Zone Venture, LLC/Rock-Morris Inc., Member
Block: 103; Lot: 2.04
Mount Olive Township, Morris County

Dear Leslie Smith:

This letter is in response to your application for an Extension of a Letter of Interpretation – Line Verification received by the Division of Land Use Regulation (Division) on May 23, 2014.

As discussed with Gregory Ploussas of Chester, Ploussas, Lisowsky Partnership, LLC, you have incorrectly signed as the property owner in part B of the DLUR form. A new page 2 of the DLUR form is therefore required, with the current owner's name and signature in part B. As the application is incomplete without this property owner certification, the Division proposes to cancel the subject application within 30 days of the date of this letter.

If the application is cancelled, a new application, including a new application fee, will be required if the applicant wishes to pursue the project. If the required information is submitted within the specified timeframe, the review of this application will continue or you will be contacted for additional information. Please note that you may also withdraw the application and preserve the fees for a specified time period as allowed in N.J.A.C. 7:7A-12.6.

Please contact me at (609) 777-1726 or susan.michniewski@dep.nj.gov should you have any questions regarding this letter.

Sincerely,

Susan Michniewski
Bureau of Inland Regulation
