PIVOTAL UTILITY HOLDINGS, INC. D/B/A ELIZABETHTOWN GAS
NOTICE OF PUBLIC HEARINGS

TO OUR CUSTOMERS:

On September 3, 2013, Pivotal Utility Holdings, Inc. d/b/a Elizabethtown Gas (“the Company”) filed a Petition with the New Jersey Board of Public Utilities (“BPU” or “Board”) in BPU Docket No. GO13090826 in response to the Board’s March 20, 2013 Order issued in BPU Docket No. AK13030197 inviting the submission of proposals for infrastructure upgrades designed to protect the State’s utility infrastructure from future “major storm events”. By that Petition, the Company seeks authority from the BPU to (i) implement the Elizabethtown Natural gas Distribution Utility Reinforcement Effort (“ENDURE”) Program to invest approximately \$15.0 million in Petitioner’s natural gas infrastructure and related facilities and communication planning over a one year period commencing January 1, 2014 and ending December 31, 2014 to harden and protect the Company’s infrastructure against damage from future major storm events and to assist the Company in developing a more robust plan to effectively communicate with customers and public officials during and after weather-related emergencies; and (ii) utilize deferred accounting identical to the accounting treatment approved by the Board for the Company’s Accelerated Infrastructure Replacement Program.

The Company is not proposing a rate change by the Petition and, therefore, this filing will not produce an increase in your current gas bills at this time. Instead, the Company will propose rate adjustments in the base rate case required to be filed by Elizabethtown by September 1, 2016 in accordance with BPU Docket No. GO12070693. Any assistance required by Customers in ascertaining the impact of the potential impacts of the Company’s proposal will be provided by the Company on request.

The proposed ENDURE Program and associated accounting treatment and cost recovery mechanism is subject to Board approval.

Copies of the Petition are available for inspection at the Company’s office located at 300 Connell Drive, Suite 3000, Berkeley Heights, New Jersey, online at Elizabethtown’s website: www.elizabethtowngas.com, and at the Board of Public Utilities, 44 South Clinton Avenue, 9th Floor, Trenton, New Jersey.

Re: In the Matter of the Petition of Pivotal Utility Holdings, Inc. d/b/a Elizabethtown Gas For Approval Of The Elizabethtown Natural gas Distribution Utility Reinforcement Effort Program and Deferred Accounting Treatment BPU Docket No. _____

Dear Secretary Izzo:

Enclosed for filing are an original and ten copies of the Petition of Pivotal Utility Holdings, Inc. d/b/a Elizabethtown Gas ("Elizabethtown" or "Company") for approval of the Elizabethtown Natural gas Distribution Utility Reinforcement Effort ("ENDURE") Program and Deferred Accounting Treatment.

This filing is being made in response to the Board's March 20, 2013 Order issued in BPU Docket No. AK13030197 inviting the submission of proposals for infrastructure upgrades designed to protect the State's utility infrastructure from future "major storm events". By this filing, Elizabethtown seeks to (i) implement an ENDURE Program to invest approximately \$15.0 million in Petitioner's natural gas infrastructure and related facilities and communication planning over a one year period commencing on January 1, 2014 and ending December 31, 2014 to harden and protect the Company's infrastructure against damage from future major storm events and to assist the Company in developing a more robust plan to effectively communicate with customers and public officials during and after weather-related emergencies; and (ii) utilize deferred accounting treatment for the costs of the program identical to the accounting treatment approved by the Board in an August 21, 2013 Order ("August 21 Order") issued in BPU Docket No. GO12070693. This filing is supported by the testimony and supporting schedules of Brian MacLean, Elizabethtown's Vice President of Operations, Michael Scacifero, Elizabethtown's Director of Engineering Services and Thomas Kaufmann, Elizabethtown's Manager of Rates and Tariffs.

As indicated in the Petition and supporting testimony of Mr. Kaufmann, Elizabethtown is not proposing a rate change in this filing and, therefore, there is no immediate rate impact. As indicated in the filing, the Company will propose rate adjustments in the base rate case required to be filed by Elizabethtown no later than September 1, 2016 in accordance with the Board's August 21, 2013 Order in BPU Docket No. GO12070693.

Kindly acknowledge receipt and filing of the enclosures by date stamping the enclosed copy of this letter and returning it to us in the enclosed self-addressed and stamped envelope. Please contact the undersigned if you have any questions.

Respectfully submitted,
