## **The Congress of Cities is fast-approaching. Have you made your plans yet?**

Act now to plan your trip to Austin for NLC's 90<sup>th</sup> Anniversary Congress of Cities and Exposition. Join local officials from across the country to explore the *Future of Cities*, including trends and insights to help you take your city forward.

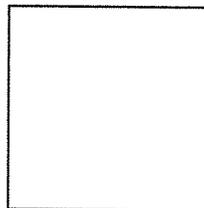

Conference topics cover the most pressing issues faced by local officials today, including:

- *Economic development*
- *Sustainability*
- *Public safety*
- *Community demographics*
- *Leadership relationships*
- *Technology and data uses*
- *Improving outcomes for youth in your community*
- *Transportation and alternatives*
- *And more!*

Visit the conference website for the full program, including keynote speakers, conference sessions, leadership seminars, and social and networking events.
