Please accept this invitation to the Morris County premier of the documentary "River's Journey" produced and directed by Academy Award nominated Producer-Director Glenn Silber. The documentary details what can be achieved by cooperation between municipalities and community groups.

The premier is scheduled for Wednesday, November 12 at 6:30 p.m. at the Frelinghuysen Arboretum. Please forward a copy of this to your governing body, environmental committee or commission and planning board representatives as all are invited to attend. Please RSVP to [maokeefe44@optonline.net](mailto:maokeefe44@optonline.net) or 973-428-6279.

The film was produced with a generous grant from Bayer USA.
