Subject: Advance your skills with intensive seminars at Austin conference

Develop as a leader with in-depth training opportunities in Austin.

A main draw of the [Congress of Cities](#) is connecting to exchange ideas and trends with local leaders from across the country. But it's also about your personal growth as a leader.

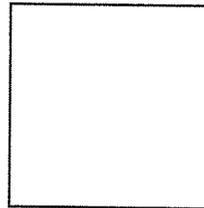

While in Austin, take advantage of a **rare opportunity to dive deep into developing new technical and leadership skills at the pre-conference NLC University seminars**. Choose from 16 specially-designed, interactive seminars led by experts on Wednesday, November

19th and Thursday, November 20th, including:

- NLCU02: It's Not All About You: How to Be an Audience-Centric Speaker
- NLCU09: Building Strong Elected-Appointed Official Relationships (offered in conjunction with ICMA)
- NLCU12: Budgeting and Financial Management: Essential Skills for Local Elected Officials
- NLCU13: Public Sector Negotiation Skills
- And more!

Visit the conference website for the [full list of NLC University seminars](#) planned for Austin.

Don't delay registering for the conference – some events require pre-registration and have limited spots available. **Register today** and reserve your seat at the NLC University seminars of your choice!
