**SAVE THE DATE: December 5 — Sustainable
Raritan River Conference at Duke Farms: Register**

NOW!

This free mini-conference at Duke Farms will pick up where our last conference left off, highlighting more current issues of concern including public access, open space funding, climate change, and habitat and wetland restoration. The day ends with a working tour of Duke Farms. We will offer lunch at cost.

To reserve your space, send an email to simalone@ejb.rutgers.edu. Please include your name, organization, municipality and phone number in the body of the email. Watch our [website](#) and [Facebook](#) pages for more information.

November 2 — Fourth Annual Fly Fisherman of the Year Banquet

There is a limited number of tickets available for the 4th Annual New Jersey Fly Fisherman of the Year banquet, held at the Raritan Inn at Middle Valley on Saturday, November 2nd. This banquet rounds out a day of competitive fishing on the South Branch, where representatives from all New Jersey Trout Unlimited chapters and watershed associations vie for

honors. Last year our own John Wester narrowly missed the top spot in a playoff showdown, and will be representing Central Jersey Trout Unlimited again as he goes for the gold. Proceeds from the banquet help fund NJ State Council Trout Unlimited. Meet your peers in fly fishing and cold water conservation, and try your luck for some fabulous bucket raffle prizes. Banquet tickets are \$60 each, which includes cocktail hour appetizers and a gourmet dinner. Cash bar. We will also have available \$10 raffle tickets benefiting the NJ Trout in the Classroom Program. Top two prizes are a R.L. Winston Boron 3xRod (B3-x) 9' 4wt and also an Orvis Battenkill II Large Arbor Reel (Gold) . Visit the [Central Jersey Trout Unlimited website](#) for more information.

November 2 — The Stream and Its Critters

Join Eric Gehring, Naturalist, at the Ireland Brook Conservation Area, Riva Avenue, East Brunswick for a day of exploring life in the Ireland Brook. This is part of the "Days of Fun on Our Raritan River" and will offer participants a chance to capture, magnify and identify the critters that live in the Ireland Brook, as well as learn how we affect them and how we can make a difference for them. Registration is required. Call (609) 409-5002 or email dn@mciauth.com and visit [the Middlesex County Improvement Authority website](#) for program times and more information.

"Days of Fun on Our Raritan River: Things to Do, Learn and Share on Our Riverfront" . . . is a development program of the Middlesex County Improvement Authority. By expanding public interest in and enjoyment and knowledge of the Raritan, the MCIa aims to increase care of the river, expand tourism, development and open space opportunities and improve

the quality of life. Days of Fun is supported by a grant from the New York—New Jersey Harbor Estuary Program and the New England Interstate Water Pollution Control Commission.
