Subject: Highlands Regional Master Plan Monitoring Program Stakeholder Outreach Workshops

The Highlands Council has scheduled three Stakeholder Outreach Workshops to solicit public input on the Highlands Regional Master Plan (RMP) as part of its RMP Monitoring Program. Workshop dates, times and locations are below. Members of the public are invited to attend to learn more about this process and provide input. Attached find a flyer for the workshops.

The Monitoring Program evaluates progress toward achieving the goals of the Highlands Regional Master Plan. The program requires identification of indicators and milestones to measure the impact of the Regional Master Plan on water resources, agriculture, housing, transportation, and economic development within the Highlands Region.

No pre-registration is required, but space is limited. Attendees will be asked to sign in. Any schedule change due to weather conditions will be announced on the Council's web site (www.nj.gov/njhighlands).

December 15, 2014 from 7:00pm to 9:00pm
County College of Morris, Student Community Center, Davidson Room
214 Center Grove Road, Randolph, NJ

January 12, 2015 from 7:00pm to 9:00pm

Sussex County Technical School, Cafeteria
105 N. Church Road, Sparta, NJ

January 14, 2015 from 7:00pm to 9:00pm
Oldwick Fire Company Social Hall (across from Melick's Town Farm)
163 Oldwick Road (Rts. 523/517), Oldwick, NJ

The Council is also accepting comments via the Highlands Council website (www.nj.gov/njhighlands), click "Submit Comments" in the RMP Monitoring section of the homepage), or by hard copy to the Highlands Council office via regular mail, hand delivery or fax. It is requested that hard copy comments identify a specific content area or aspect of the RMP and include the commenter's name and affiliation. Comments will be accepted through February 27, 2015.

Highlands Regional Master Plan Monitoring Program

WE NEED YOUR INPUT

The Monitoring Program evaluates progress toward achieving the goals of the Highlands Regional Master Plan. The program requires identification of indicators and milestones to measure the impact of the Regional Master Plan on water resources, agriculture, housing, transportation, and economic development within the Highlands Region. Learn more about the process and help us answer this question: what should be measured?
