**TOWNSHIP OF BYRAM  
SUSSEX COUNTY, NEW JERSEY**

**ORDINANCE NO. 14-2013**

**AN ORDINANCE TO AMEND CHAPTER 240 OF THE BYRAM TOWNSHIP CODE  
ENTITLED "ZONING" TO ESTABLISH A HIGHLANDS AREA EXEMPTION PROCESS**

**PURPOSE STATEMENT:** This ordinance establishes the authority and a process for the Township to grant certain exemptions under the Highlands Act.

**WHEREAS,** the Highlands Council, in concert with the NJDEP, is granting the authority to municipalities to make exemption determinations on Highlands Exemptions 1, 2, 4, 5, 6, 7, and 8; and

**WHEREAS,** the Byram Township Mayor and Council have determined that this will improve the process of seeking Highlands exemptions.

**NOW, THEREFORE, BE IT ORDAINED** that the Byram Township Mayor and Council hereby creates a new section 240-11-2 which shall read:

**240-11.2 HIGHLANDS ACT EXEMPTIONS**

This ordinance is based on a model Highlands Area Exemption Ordinance prepared and provided to Highlands municipalities by the New Jersey Highlands Water Protection and Planning Council.

**ARTICLE 1. TITLE, PURPOSE, SCOPE**

**1.1 TITLE**

This Ordinance shall be known and cited as the "Township of Byram Highlands Area Exemption Ordinance."

**1.2 PURPOSE**

The purpose of this Ordinance is to set forth the procedural and substantive requirements by which the municipality will issue Highlands Act Exemption Determinations. Such determinations pertain only to Highlands Act Exemptions 1, 2, 4, 5, 6, 7, and 8. Highlands Act Exemption Determinations indicate whether proposed activities, improvements or development projects affecting lands located within the Township Highlands Area are exempt from the Highlands Water Protection and Planning Act ("Highlands Act," N.J.S.A. 13:20-1 et seq.), and are therefore exempt from the Highlands Water Protection and Planning Council's ("Highlands Council") Regional Master Plan, the New Jersey Department of Environmental Protection's (NJDEP) Highlands Water Protection and Planning Act Rules ("Preservation Area Rules," N.J.A.C. 7:38-1 et seq.), and from any amendments to the Township's master plan, development regulations, or other regulations adopted pursuant to the approval of the Township's Petition for Plan Conformance by the Highlands Council.

**1.3 SCOPE/APPLICABILITY**

The provisions of this Ordinance pertain to activities, improvements and development projects involving lands located within the Township Highlands Area. The Highlands Area comprises that portion of the municipality for which the Highlands Council has deemed the municipality to be in conformance with the Highlands Regional Master Plan (RMP). The provisions of this Ordinance shall not be construed to alleviate

any person or entity from the provisions and requirements of any other applicable ordinances, rules, or regulations of the municipality, or from any other applicable law, regulation, or requirement of any county, state, or federal authority having jurisdiction. Nor shall the provisions of this Ordinance deprive any person or entity from seeking a Highlands exemption determination from the NJDEP or the Highlands Council.

#### **1.4 STATUTORY AUTHORITY**

This Ordinance is adopted under the authority of the Highlands Act and the New Jersey Municipal Land Use Law ("MLUL", N.J.S.A. 40:55D-1 et seq.). In the Highlands Act, the Legislature identified numerous categories of activities that are exempt from the Act, the RMP, the Preservation Area Rules, and any amendments to a master plan, development regulations, or other regulations adopted by a local government to conform them with the RMP. See N.J.S.A. 13:20-28. The Legislature granted the Highlands Council the authority to administer the plan conformance process and to approve, reject, or approve with conditions municipal plan conformance petitions. See N.J.S.A. 13:20-14, -15. The Legislature, through the MLUL, granted authority to New Jersey municipalities to govern land use and development within their borders and, through the Highlands Act, established requirements for Highlands municipalities to conform their land use and development regulations with the RMP. In a July 19, 2012 Memorandum of Understanding (MOU) between the Highlands Council and the NJDEP, the Council and the NJDEP recognized the circumstances in which it would be appropriate for conforming, Highlands Council-certified municipalities to make determinations regarding specified Highlands Act exemptions.

#### **1.5 SEVERABILITY**

If any section, sentence, clause or phrase of this Ordinance is held to be invalid or unconstitutional by any court of competent jurisdiction, such holding shall in no way affect the validity of the ordinance as a whole, or of any other portion thereof.

#### **1.6 EFFECTIVE DATE**

This Ordinance shall take effect after final passage and publication in the manner required by law.

### **ARTICLE 2. DEFINITIONS**

## ARTICLE 3. GEOGRAPHIC AREA OF APPLICABILITY

### 3.1 HIGHLANDS PLANNING AREA AND PRESERVATION AREA

The Highlands Act establishes the Preservation Area and Planning Area of the Highlands Region. It describes the varied attributes of each and sets forth the major land use planning goals that pertain to the lands located within each. The Act defines the geographic extent of the Highlands Region to include the aggregated land area making up its constituent municipalities (N.J.S.A. 13:20-7a). It provides a physical delineation of the Preservation Area by use of a specific metes and bounds description (N.J.S.A. 13:20-7b), designating all remaining lands within the Highlands Region as the Planning Area.

#### 3.1.1 Highlands Area

The Township Master Plan incorporates the Highlands Preservation Area and Planning Area, inclusive of the goals applicable to each, as an integral component of the planning and land use policies of the municipality. For purposes of this Ordinance, these Areas are designated as the Township Highlands Area.

#### 3.1.2 Applicability

This Ordinance applies to lands designated as the Township Highlands Area, encompassing the whole of the Township of Byram.

## ARTICLE 4. HIGHLANDS ACT EXEMPTION DETERMINATIONS

#### **4.1 HIGHLANDS ACT EXEMPTIONS**

Section 30 of the Highlands Act identifies as exempt, specific activities, improvements and development projects affecting lands within the Highlands Region. Such activities, improvements and projects may be proposed as a component of any type of land use application submitted to the municipality for approval, including but not limited to zoning permit applications, building permit applications, and Applications for Development (as defined at 2.2). Any such qualifying activity, improvement or development project is exempt, with regard specifically to that activity, improvement or development project, from the requirements of the Highlands Act, the Highlands RMP, the NJDEP Preservation Area Rules, and any amendments to the Township's master plan, development regulations, or other regulations adopted pursuant to the approval of Township's Petition for Plan Conformance by the Highlands Council. Such an exemption specifically applies to any Highlands Area land use ordinance adopted by the Township pursuant to the Highlands Council's approval of Township's Petition for Plan Conformance.

Where any application submitted to the municipality for approval proposes to rely upon a Highlands Act Exemption, the applicant must, as a condition of application completeness, and prior to review or approval of the application by the applicable municipal authority, provide sufficient evidence that the proposed activity, improvement, or development project in fact qualifies as a Highlands Act Exemption. Such evidence shall consist of either a State Agency Exemption Determination or a Municipal Exemption Determination (see 4.1.1 or 4.1.2 below) indicating that the proposed activity, improvement, or development project qualifies for a Highlands Act Exemption.

##### **4.1.1 State Agency Exemption Determination**

State Agency Exemption Determinations shall consist of either, a Highlands Applicability Determination issued by the NJDEP for a Preservation Area proposal, or a Highlands Exemption Determination issued by the Highlands Council for a Planning Area proposal. State Agency Determinations may be requested with regard to any Highlands Act Exemption, however for applications involving any exemption not identified at 4.2 below, a State Agency Exemption Determination is required. Any applicant seeking a formal exemption determination for a capital or other project of any State entity or local government unit, or for any other publicly-owned or controlled land or facility, also must request a State Agency Exemption Determination.

##### **4.1.2 Municipal Exemption Determination**

For an application involving any of the specific exemptions listed in Section 4.2 below, the applicant may request a Municipal Exemption Determination. The applicant may rely upon the findings of a Municipal Exemption Determination to the same extent as would apply to an exemption determination issued by the Highlands Council or the NJDEP.

#### **4.2 HIGHLANDS ACT EXEMPTIONS ELIGIBLE FOR MUNICIPAL DETERMINATION**

Effective as of the date on which the municipality receives written authorization from the Highlands Council to proceed, an applicant may seek a Municipal Exemption Determination for the Highlands Act Exemptions listed hereunder.

1. *Exemption 1.* The construction of a single family dwelling, for an individual's own use or the use of an immediate family member, on a lot owned by the individual on the date of enactment of the Highlands Act (August 10, 2004) or on a lot for which the individual entered into a binding contract of sale to purchase on or before May 17, 2004.
2. *Exemption 2.* The construction of a single family dwelling on a lot in existence on the date of enactment of the Highlands Act (August 10, 2004), provided that the construction does not result in the ultimate disturbance of one acre or more of land or a cumulative increase in impervious surface by one-quarter acre or more.

- a) A Municipal Exemption Determination indicating that an applicant qualifies under Highlands Act Exemption 2 shall require approval and filing of a Deed Notice along with a site plan delineating the total exempt area and the extent of the disturbance recognized in the Municipal Exemption Determination (see 4.4 below). Municipal Exemption Determinations in such instances shall not take effect until the applicant has provided proof of filing of the approved Deed Notice.
3. *Exemption 4.* The reconstruction of any building or structure for any reason within 125% of the footprint of the lawfully existing impervious surfaces on the site, provided that the reconstruction does not increase the lawfully existing impervious surface by one-quarter acre or more. This exemption shall not apply to the reconstruction of any agricultural or horticultural building or structure for a non-agricultural or non-horticultural use.
    - a) For purposes of this Ordinance, this exemption shall not be construed to permit multiple 125% footprint expansions, but rather, to permit one or more reconstruction activities cumulatively resulting in a maximum 125% increase in the footprint of the impervious surfaces lawfully existing on the site, provided they do not cumulatively exceed the one-quarter acre limitation. Any determination of whether the expansion of impervious cover meets the statutory criteria for the exemption must account for the preexisting impervious cover, and such expansion must be contiguous to the location of the existing impervious cover. See In re August 16, 2007 Determination of NJDEP ex rel. Christ Church, 414 N.J. Super. 592 (App. Div. 2010), certif. denied, 205 N.J. 16 (2010).
    - b) For Preservation Area determinations, the applicable date of lawful existence shall be August 10, 2004, the date of enactment of the Highlands Act. For Planning Area determinations, the date of lawful existence shall coincide with the effective date of the municipally-adopted Highlands Area Checklist Ordinance or Highlands Area Land Use Ordinance, whichever is earlier.
  4. *Exemption 5.* Any improvement to a single family dwelling in existence on the date of enactment of the Highlands Act (August 10, 2004), including but not limited to an addition, garage, shed, driveway, porch, deck, patio, swimming pool or septic system.
  5. *Exemption 6.* Any improvement, for non-residential purposes, to a place of worship owned by a nonprofit entity, society or association, or association organized primarily for religious purposes, or a public or private school, or a hospital, in existence on the date of enactment of the Highlands Act (August 10, 2004), including but not limited to new structures, an addition to an existing building or structure, a site improvement, or a sanitary facility.
  6. *Exemption 7.* An activity conducted in accordance with an approved woodland management plan pursuant to section 3 of the "Farmland Assessment Act," P.L.1964, c.48 (C.54:4-23.3) or a forest stewardship plan approved pursuant to section 3 of P.L.2009, c. 256 (C.13:1L-31), or the normal harvesting of forest products in accordance with a forest management plan or forest stewardship plan approved by the State Forester.
  7. *Exemption 8.* The construction or extension of trails with non-impervious surfaces on publicly owned lands or on privately owned lands where a conservation or recreational use easement has been established.

### **4.3 EXEMPTION DESIGNEE(S)**

Municipal Exemption Determinations regarding Highlands Act Exemptions shall be issued by the following Byram Township staff: Zoning Officer, Planning Director, Township Planner, Planning Board Engineer or Township Engineer. The Exemption Designee(s) shall be authorized to issue Municipal Exemption Determinations on behalf of the municipality, and shall only begin to do so, after satisfactory completion of a Highlands Council training class for which the individuals have received formal certification from the Highlands Council.

#### **4.3.1 Updates to Training Certification**

In the event of programmatic changes, updated information, or modifications to procedures, updated training certification may be required of Exemption Designees in order to maintain qualifications for providing Municipal Exemption Determinations. The Highlands Council will provide training modules on an as-needed basis, to provide base training to new employees, and/or to further the expertise of already-certified individuals. Exemption Designees and the municipalities they serve will be advised of any need for upgraded training, which will be provided and funded by the Highlands Council.

#### **4.3.2 Interim Determinations**

For the duration of any period during which the municipality is without a qualified Exemption Designee(s) due to changes in personnel or other extenuating circumstances, applicants seeking Highlands Act Exemption Determinations shall be referred to the NJDEP or the Highlands Council, for a State Agency Determination pursuant to 4.1.1, above.

### **4.4 APPLICATION PROCEDURES**

#### **4.4.1 Municipal Exemption Applications**

Requests for Municipal Exemption Determination shall be submitted on forms provided by the Planning Department and shall be accompanied by sufficient information and documentary evidence to demonstrate whether the proposed activity, improvement or development project qualifies for the applicable exemption. Required submission materials applicable to each exemption, appear at 4.8, below.

#### **4.4.2 Completeness Determination**

The Exemption Designee shall review the application and all accompanying materials to determine whether sufficient information has been submitted to make a determination on the application. In the event of a finding that the application is incomplete, the Exemption Designee shall, within twenty (20) calendar days of receipt issue such findings in writing to the applicant, indicating what information is required to properly consider the application.

#### **4.4.3 Time for Determination**

The Exemption Designee shall issue Municipal Exemption Determinations within forth-five (45) calendar days of receipt of a complete application. The Exemption Designee may consult with the Executive Director (or applicable designee) of the Highlands Council as needed in making any exemption determination, however. In such circumstance, the Exemption Designee shall seek such assistance within the forty-five (45) day period and shall issue the determination within at least ten (10) calendar days of receiving the requested guidance. In no case shall failure to meet this date constitute approval of the exemption.

#### **4.4.4 Determinations**

All Municipal Exemption Determinations shall be provided in writing, shall certify to the applicability or inapplicability of the exemption, and shall include a statement of the rationale for the decision. Any Municipal

Exemption Determination certifying to the applicability of Highlands Act Exemptions #2 shall be contingent upon submission of proof of filing of the required Deed Notice, as set forth at 4.4.6, below.

#### **4.4.5 Notice of Determination Required**

The Exemption Designee shall provide copies of all Municipal Exemption Determinations including a copy of the full application, to the Highlands Council and for decisions regarding lands in the Highlands Preservation Area, to the NJDEP, in either case, within ten (10) business days of issuance.

#### **4.4.6 Deed Notice for Exemption #2**

Any Municipal Exemption Determination that certifies to the applicability of Highlands Act Exemption #2 (4.2 above), shall be issued conditionally, pending fulfillment of the requirement that a deed notice be recorded in the office of the County Clerk or Register, as applicable, indicating the extent of the exemption that has been consumed. The deed notice shall incorporate each of the components listed below and the applicant shall provide a copy of the filed Deed Notice to the Highlands Council within five (5) business days of filing.

- A. Clear identification of the name(s) and address(es) of the owner(s) in fee of the property;
- B. Designated tax block and lot number(s), street address(es), municipality and county of location of the property;
- C. Reference to the Municipal Exemption Determination (by date, numbering if applicable) issued and under which the deed notice is being filed;
- D. Description of the approved area of ultimate disturbance and the impervious surface area, with verification that these remain below the statutory limits;
- E. For properties of one acre or more in area, metes and bounds delineation indicating the portion of the property for which the ultimate disturbance has been authorized;
- F. Agreement to abide by the ultimate disturbance and impervious surface limits imposed, any furtherance thereof rendering the Municipal Exemption Determination null and void; and
- G. Notice that the owner(s) and subsequent owner(s) and lessees shall cause all leases, grants, and other written transfers of interest in the property to contain provisions expressly requiring all holders thereof to take the property subject to the limitations therein set forth.

#### **4.5 APPEAL OF MUNICIPAL EXEMPTION DETERMINATION**

A Municipal Exemption Determination may be appealed by any affected person/entity by filing a notice of appeal within twenty (20) calendar days of issuance or receipt of said determination, whichever is later, specifying the grounds therefor. Appeals must be filed with the NJDEP in the case of any Preservation Area Exemption, and with the Highlands Council, in the case of any Planning Area Exemption. All appeals shall be copied to the Exemption Designee, who shall immediately transmit to the NJDEP or the Highlands Council, as applicable, copies of the notice of appeal, the Municipal Exemption Determination Application, and all supplemental materials constituting the record that the Exemption Designee relied upon in issuing the Municipal Exemption Determination. Where the Municipal Exemption Determination deems an activity, improvement or development project exempt, the filing of an appeal to the NJDEP or the Highlands Council shall stay all proceedings in furtherance of its approval by the municipality.

#### 4.6 EFFECT OF CERTIFIED EXEMPTION

Issuance of a Municipal Exemption Determination that certifies to the applicability of a Highlands Act exemption shall recognize the applicant's exemption from the provisions of the RMP, NJDEP Preservation Area Rules, and any municipal ordinances and requirements adopted under the authority of the Highlands Act to achieve Highlands Plan Conformance. The exemption is restricted solely to the extent of the specified activity, improvement, or development project as described in the language of the Highlands Act exemption, or to any lesser activity, improvement, or development project as proposed and certified through a Municipal Exemption Determination Application. Any activity, improvement, or development project, or any part thereof, that is not specifically listed as an exemption or exceeds the limits of an exemption, remains subject to all of the above regulatory programs to the full extent of the respective applicability of each. Issuance of a Highlands Exemption Determination shall not relieve the applicant from securing all other required federal, state, or local approvals.

#### 4.7 APPLICATION AND PROFESSIONAL REVIEW FEES

- A. A fee of \$50 per each Exemption Determination where no Zoning Permit is required.
- B. A fee of \$100 for a Combined Exemption Determination and Zoning Permit.
- C. An initial deposit of seven hundred and fifty dollars (\$750) for a professional review to be established in an escrow account, the administration of which shall comply in all respects with the MLUL, as provided under Section 45 of the Township Code applicable to Development Applications. The professional review fee may be reduced or waived entirely at the discretion of the Exemption Designee in the event the Township's professional consultant(s) are not required to conduct a review of the exemption request.

#### 4.8 SUBMISSION REQUIREMENTS

All applications shall be accompanied by the Municipal Exemption Determination Application Form, the applicable fees, and the information listed below, as applicable to the particular exemption or exemption(s) being sought by the applicant. All references to professional preparers indicated herein shall be construed to include any and all qualified individuals licensed, certified, or otherwise eligible and authorized to complete such work, in accordance with the applicable laws and legal requirements of the State of New Jersey including but not limited to the MLUL (N.J.S.A. 40:55D-1 et seq.) and Title 13 of the New Jersey Administrative Code, Law and Public Safety. Where the Exemption Designee finds that any submission item is not necessary to address the evidentiary requirements that must be satisfied for issuance of an Exemption Determination, either because alternate items have been provided by the applicant, or the relevant information is readily available through records, maps, or any other documents on file in the offices of the municipality, the Exemption Designee may waive the applicant's obligation to submit such information..
