November 28, 2008

ATTN: MUNICIPAL CLERKS/ADMINISTRATORS

On or about December 1, 2008, Comcast will offer a new video service tier, the Digital Economy Tier, in your municipality.

The Digital Economy Tier, the service will provide approximately 50 channels comprised of the Limited Basic level of service in each system as well as approximately 25 to 30 channels from the Expanded Basic level of service, the 47-channel Music Choice audio service and an interactive program guide. Video On Demand will not be offered as part of the tier at this time. A digital converter is required to receive the Digital Economy Tier as several designated channels appear on digital channel spaces.

Customers were notified of the availability of the Digital Economy Tier with a billing insert that appeared in customer bills between October 23 and November 16, 2008.

Should you have any questions on this or another Comcast matter, please do not hesitate to contact Charles L. Smith or Robert Clifton, Area Directors of Government and Community Affairs, at 908.258.8143 or 732.281.3704, respectively or Molly Adams at 908.851.6854.
