**The 10 Critical Imperatives Facing Cities in 2014**  
**#CityChallenges**

NLC is live streaming the release of a new report entitled, "The 10 Critical Imperatives Facing America's Cities," **today at 9:30 am ET**. Cities large and small confront challenges that not only impact the quality of life of those who live and work there, but the success of our entire nation. The report highlights the most pressing of these challenges, ranging from the fragile
