Re: Renewal of a Recycling Center General Approval for Class B & C Materials
Morris County MUA – Mount Olive Recycling Center
Township of Mount Olive, Morris County
Facility ID No: 132502

Dear Mr. Schwiezer:

The Class B & C Recycling Center General Approval for Morris County MUA – Mount Olive Recycling Center expires on June 24, 2009. In accordance with N.J.A.C. 7:26A-3.6, if you wish to continue to operate following the expiration date of the general approval, a renewal application must be submitted to the Bureau of Transfer Stations & Recycling Facilities at least ninety (90) days prior to the expiration date of the existing general approval.

If a renewal of the General Approval in its existing form is pursued, the holder of the General Approval needs to submit a letter to the Department that certifies that there have been no changes in the operations of the recycling center since the date of issuance of the General Approval.

To expedite the review of your renewal request, please submit a copy of a deed or current lease agreement for the property and a list of the equipment currently being used on-site. In accordance with N.J.A.C. 7:26A-2.1(b)4, a fee of \$5,786.00 is required with the renewal application (Class B renewal fee \$960.00 + Class C renewal fee \$4,826.00) is required with the renewal application. A check for this amount made payable to "Treasurer, State of New Jersey" must be submitted with your request.

In addition, if your company is delinquent on remitting previously billed fees you must submit these payments with the renewal request. If any past due payment is not made, the Department will withhold the issuance of your renewal until such time as the payment is received.

In the event that the holder wishes to modify operations currently employed at the recycling center, the application for renewal of the General Approval must be accompanied by a written request to modify the General Approval in accordance with N.J.A.C. 7:26A-3.10. Finally, a Certification Statement that contains the language required pursuant to N.J.A.C. 7:26A-3.2(b) should be included with the renewal application.

A copy of your renewal request must be provided to the municipal clerk of the municipality in which the recycling center is located and the solid waste or recycling coordinator of the county in which the recycling center is located. Please find an enclosed copy of the section of the recycling regulations, N.J.A.C. 7:26A-3.6, which outlines the submittal requirements that must be fulfilled for permit renewal and includes the certification language that must be provided with your request.

If you have any questions concerning this letter please contact Dawn Higgins, of my staff at (609) 292-9880, or by email at dawn.higgins@dep.state.nj.us.

Sincerely,

Anthony Fontana, Bureau Chief
