## Be the kind of leader who shows up for your city.

Attend NLC's annual legislative conference in Washington, D.C. where you'll have a unique chance to advocate for the federal policy issues that matter most to your community.

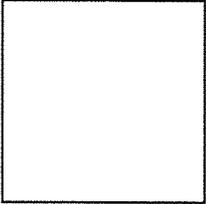

**Meet the newest members of Congress** at the beginning of their terms, so you can be among the first to influence them.

**Get the scoop** on the federal policies affecting cities. Give your city an edge by getting in on the latest political news, funding opportunities,

and emerging practices.

**Hear from a prominent line-up of speakers**, including *Meet the Press* host Chuck Todd.

Visit the new Congressional City Conference website, and register **before January 16th** for the best rate!
