Dear NJCM Member Mayor,

The NJ Recovery Fund is a 16-partner coalition of grant funders, including as founding members the Community Foundation of New Jersey and the Geraldine R. Dodge Foundation. The Fund released their guidelines for grant awards today. Communities and non-profits - as well as collaborations between non-profit groups, individuals, businesses, and municipalities - are being invited to submit a letter of intent to apply for the \$5 million available in

grant funds.

Grants will be focused in five key areas: public media, policy reform, community and regional planning, environmental protection, and the arts. The Fund is seeking to support "catalytic ideas and projects" to help NJ recover from Hurricane Sandy. Full grant guidelines and an online letter of intent are available at www.grdodge.org

The timeline for grant awards is:

February 25 deadline for submission of letter of intent

March 6 applicants notified if they are invited to submit a full grant proposal

March 22 deadline for submission of full proposal for grant funds

We encourage you to assess opportunities within your county and municipalities that may qualify for these grants. If you have questions, please contact Linda K. Murphy, President, NJ Shared Services Association at: (973) 722-7412- cell, or email: lkmurphy@optimum.net.
