Feature Article:
"Investment Area" Criteria Released for the

Feb. 13, 2012

State Strategic Plan

The newly released the Priority Growth Criteria will determine where state development and preservation incentives will be directed. They need to be refined and tested to ensure they support the State Planning Act and work in accordance with smart-growth principles. [Read more.](#)

Lieutenant Governor To Speak at Redevelopment Forum

N.J. Lt. Gov. Guadagno will deliver the opening remarks at Redevelopment Forum 2012, focusing on how the state is streamlining its incentives to foster growth while preserving critical resources. [Read more.](#)

We have applied for
AICP credits and

Why Hunterdon County Should Regionalize Its School Districts

will be applying for
CLE credits.

Hunterdon County is considering moving to a single, county-wide school district. This would not only save overhead and administrative costs, it would have significant land-use benefits, including the possibility of cheaper and more diverse housing. Read more.

New Jersey Future is a statewide research and policy group advocating smart growth, environmental preservation, neighborhood revitalization, and transportation choice. Learn more about our work by visiting our website.

SUPPORT US - Your donation will help us work for the revitalization of existing places, advocate for transit-oriented development and help preserve our open spaces and farm lands. Please consider supporting our work today! There are many ways you can help. For more information, contact Dan Fatton at 609/393-0008, ext. 105.
