

- **How Can New Jersey Grow?**

The Garden State still has plenty of room, if we know where to look.

- **The State Strategic Plan**

A compendium of articles and resources on New Jersey's new plan for growth.

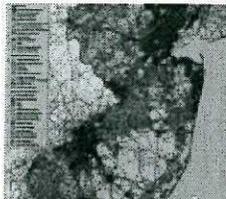

Future Facts 

Lieutenant Governor To Speak at Redevelopment Forum

February 13, 2012 : 0 comments

N.J. Lt. Gov. Guadagno will deliver the opening remarks at Redevelopment Forum 2012, focusing on how the state is streamlining its incentives to foster growth while preserving critical resources.

“Investment Area” Criteria Released for the State Strategic Plan

February 13, 2012 : 0 comments

The newly released the Priority Growth Criteria will determine where state development and preservation incentives will be directed. They need to be refined and tested to ensure they support the State Planning Act and work in accordance with smart-growth principles.

Liveblogging the State Strategic Plan Public Hearing

February 9, 2012 : 0 comments

Liveblog of the first public hearing on the State Strategic Plan.

House Transportation Bill Falls Short

February 9, 2012 : 0 comments

Despite all the health benefits of biking, walking or using transit, the House of Representatives' proposed transportation re-authorization bill falls short on these key transportation needs.

Why Hunterdon County Should Regionalize Its School Districts

January 27, 2012 : 1 comment

Hunterdon County is considering moving to a single, county-wide school district. This would not only save overhead and administrative costs, it would have significant land-use benefits, including the possibility of cheaper and more diverse housing.

Does New Jersey Have Room to Grow?

January 26, 2012 : 8 comments

New Jersey could gain another million residents in the next 30 years. Based on the population trend in New Jersey's urban areas, more than half of them could be accommodated in our cities without having to disturb a single acre of new land.
