Positions Available

Recovery Planning Manager - New Jersey Future

Responsible for professional-level planning and implementation support as part of establishing a long-term recovery plan for up to three municipalities affected by Superstorm Sandy. Includes working closely with FEMA and its team of experts, conducting independent studies, assisting with local consensus-building, and identifying and assisting with the procurement of rebuilding funds. Prefer someone with an appropriate college degree, a minimum of five years' experience in planning, economic and community development or city administration at a leadership level, knowledge of New Jersey's housing, economic and community development programs, experience with grant writing, and demonstrated written and public communications skills.

The [full job description is available here](#). Applicants are encouraged to apply as soon as possible; deadline is

Feb. 22, 2013. Compensation will be competitive and based on the candidate's experience and skills.

Positions with The Federal Disaster Recovery Coordination Group

The Federal Disaster Recovery Coordination Group has a number of positions available in conjunction with Sandy recovery. Positions include the following: Architect, Community Capacity Building, Economic Development Coordinator, Community Planner, Engineer. [Click here for a copy of the employment flyer](#). While we wanted to get the word out about the positions quickly, we are also aware that there have been glitches in working with the web site referred to in the flyer. As updated contact information becomes available, we will keep you informed.
