## **GrantStation website**

NJLM has partnered with GrantStation.com, an online grant-seeking resource to offer our members a discounted rate to use their online database of funders and information on grants and grant writing.

**A free tour of our newest member benefit is available Thursday, February 21. Join us to preview the website and see what a subscription has to offer.** The tour will begin at 2pm and last approximately one hour.

League members may purchase a full annual membership to GrantStation.com for only \$95. This is over 85% off of their regular rate of \$699.

**The tour will be held via webinar on February 21 at 2pm. To register visit**

For more information on this program or to subscribe visit <http://www.njslom.org/grants/grants-subscription-form.html>.

This new member service is part of our *Grants Resource Center*, the League's online tool providing a listing of links to grant opportunities, resources and information to assist our membership in researching and finding funding opportunities. Additionally, each month our site includes links to open funding opportunities and an article highlighting grant issues and the ways in which municipalities can utilize funding. Also through our partnership with GrantStation.com, members may sign up for a weekly email service to have opportunities delivered to their email inbox (separate from the paid service mentioned above, emails are a free NJLM benefit). Through a partnership with Triad Associates, we also offer a free Grant Consultation Service to provide general grant guidance, available to our membership only. Visit our *Grant Resource Center* at [www.njslom.org/grants.html](http://www.njslom.org/grants.html).
