RE: 2012 Clean Communities Estimates Released

Dear Mayor:

Earlier today, the Department of Environmental Protection's Office of Local Government Assistance released the preliminary estimates of the 2012 NJ Clean Communities grants. These estimates are now available on the Clean Communities Council's website. Please visit www.njclean.org. The estimates are available under the Heading "News."

These figures are close approximations to the final figures. They are for budget planning purposes only. The figures will be finalized by mid to late March and the monies should be distributed soon after.

If you have any questions about the program, please contact the Clean Communities Program at 609-989-5900. We thank Mr. Joe Rogers, Program Coordinator in the Office of local Government Assistance, for providing this information.

Very truly yours,

William G. Dressel, Jr.
Executive Director
