Dear Municipal Clerk:

We invite you to take time today to spread the word about the March 14th Foundation event "Land Use Controls: Sustainable Energy Sources Present

New Challenges"

This has been approved for 4 CEU's for RMCs and CMFO's

An agenda for the event is attached for you to post to your association web site and share with your membership. Here is a link to the Foundation web site with the registration information http://njlmef.org/031412-Land-Use-Controls.html

Please share this with all your contacts.

Thank you for helping to spread the word about this high-level discussion about New Jersey's energy future.

"Land Use Controls: Sustainable Energy Sources Present New Challenges"
Wednesday, March 14, 2012 9:00 am—12:30 pm

Foundation Program Partner

Prime Sponsor

Explore in greater detail the relationship between existing land use controls and authorities exercised at the local level, and the prioritization of alternate energy sources, such as solar and wind. What part does sustainable energy play in the State Energy Master Plan and how will that plan be implemented? What controls are in place for local governments to regulate these uses?

Opening
