Subject: 2013 New Jersey American Water Environmental Grant Program

Mayor, Clerks and Administrators,

You may recall that I sent you information earlier this month on our Environmental Grant Program. I wanted to remind you that the program is open and accepting applications through March 11. Below is some additional information on the program. Please feel free to send this message to those in your community who might benefit from these grants.

2013 New Jersey American Water Environmental Grant Program

At New Jersey American Water, we are committed to protecting the environment in the communities we serve and are proud to support the efforts of local organizations that share our vision.

Our Environmental Grant Program offers funds for innovative, community-based environmental projects that improve, restore

or protect the watersheds, surface water and/or groundwater supplies in our local communities. We are pleased to offer this assistance to our community partners, while leveraging local resources and capabilities to make a positive impact on the environment.

To qualify for Environmental Grant funding, a proposed project must be:

Improve, protect or restore the watershed or source water

Be located within the New Jersey American Water service area

Be a new or innovative community initiative, or serve as significant expansion to an existing program.

Entries for New Jersey should be mailed to:

New Jersey American Water
P.O. Box 102
Bound Brook, NJ 08805
Attn: Gary Matthews

For more information about the program, contact Gary Matthews at gary.matthews@amwater.com.
