SRTS Grants Awarded

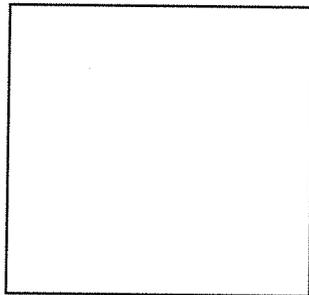

As part of a package of 35 grants in New Jersey's Local Aid Program totaling nearly \$6.8 million, the Christie Administration has announced 25 federally funded Safe Routes to School Grants totaling \$5.7 million for sidewalk, intersection, crosswalk and other

Volunteer with TransOptions at one of our Junior Solar Sprints races! Middle school students spend months designing, building and testing solar-powered model cars and the best of the best participate in TransOptions' races. [Read more...](#)

improvements to help children remain safe as they walk or ride bicycles to and from school. [Read more...](#)

Share Your Story!

Do you take green trips? If you take the bus or train, if you walk or bike, if you carpool or vanpool or telework, you're doing your part, and we want to hear about it. All through the months of March and April, we're inviting you to share your story, photos or videos about your alternative transportation choices. On Earth Day we'll highlight the best ones and award prizes! [Read more...](#)

Teenage Highway Deaths Jumped in 2012

Teenagers are dying in car crashes at a much higher rate. The Governors Highway Safety Association reports that deaths of 16-year-old drivers jumped 24 percent in the first six months of 2012, with 107 fatalities nationwide, while fatalities climbed 15 percent for 17-year-olds (133 fatalities nationwide). [Read more in the full report...](#)

Spotlight: Atlantic Health System

Atlantic Health System is at the forefront of medicine, setting standards for quality health care in New Jersey and the New York metropolitan area. As a platinum-level New Jersey Smart Workplace, Atlantic Health will once again host a number of on-site events by TransOptions and promote the use of transportation alternatives, such as

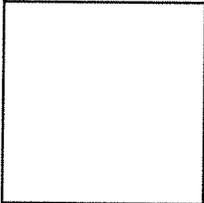

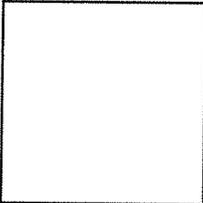

carpooling, bicycling and walking. [Read more...](#)
