Subject: Walnut Brook - Volunteer Opportunity

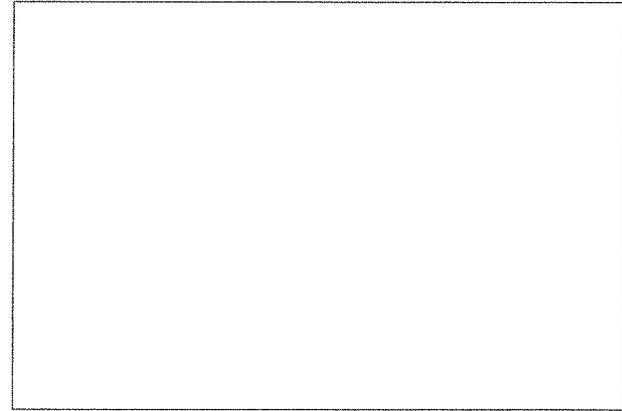

[Click to view this email in a browser](#)

Good Afternoon All,

North Jersey Resource Conservation & Development (RC&D) is looking to garner volunteer assistance to help with some riparian buffer work on a past project site called Walnut Brook located at Mine Brook Park in Raritan Township, NJ. After a site visit earlier today and seeing potential opportunities to bolster and improve upon the plant community throughout the project site, it is evident that this is the perfect time to act. I realize that this is short notice, but North Jersey RC&D staff would like to invite you to help out this coming weekend, Saturday March 16th at 9 am in our efforts. Some things that we are looking to get done at the site are:

1. Collect Sycamore seed and stakes for replanting
2. Spread/Plant seed and stakes throughout riparian corridor
3. Remove and collect rebar stakes from old caging
4. Garbage cleanup

North Jersey RC&D is looking for RSVP confirmation of people who would like to come out and help this weekend. If you would like to help out at this volunteer event please let me know and I will add you to the list. If we do not get enough confirmed volunteers for this weekend we will be pushing the event to the next weekend, Saturday March 23rd at 9am. We will be meeting in the Mine Brook Park Parking lot off of Old Croton Road in Flemington.

You can view the site location by following the link below:

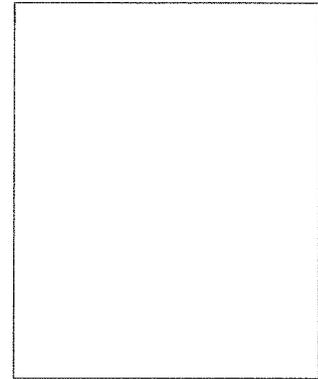

<https://maps.google.com/maps?q=Raritan+Community+Park,+Flemington,+NJ&hl=en&sl=40.07304,-74.724323&sspn=8.278681,13.392334&oq=Mine+Brook+Par&hq=Raritan+Community+Park,+Flemington,+NJ&t=m&z=17>

Please pass this information along to anyone else you think may be interested or able to help.

Thank you!

Nathan Charron
