Dear Colleague,

Downtown New Jersey invites you to be a sponsor and/or an exhibitor at our 2013 Annual Conference being held in Long Branch, NJ on May 16, 2013 at The Avenue Restaurant, on the oceanfront. The conference will be a half-day event with registration beginning at 8:00 am.

The conference will be attended by approximately 100 participants, including: public officials, real estate professionals, developers, business and property owners, industry leaders, community volunteers and downtown managers.

The past year has seen New Jersey downtowns dealing with an increasing number of managed districts in turmoil, downtowns exploring new approaches and alternatives to redevelopment, and Superstorm Sandy. This compact conference will offer two panel discussions: one on resilient downtowns, recovering from disaster and planning for future disasters; followed by one on "Post Redevelopment," other tools for downtown revitalization. Lt. Governor Kim Guadagno will be our featured speaker. The setting for this year's conference is an epicenter for both topics: The Avenue, on the oceanfront in Long Branch.

Downtown New Jersey, Inc. is a non-profit corporation funded by membership dues, income from programs and sponsorships. DNJ, Inc. has been designated a 501(c)3 organization.
