**Re: Northern New Jersey Sustainable Resources & Networking Forum**

Dear Mayor:

Below please find an upcoming Sustainable Jersey event that may be of interest to your municipality.

#### Northern New Jersey Sustainable Resources & Networking Forum

Sustainable Jersey is partnering with the Sparta Green Team to present local resources that will help you save energy and money while gaining new connections. This is a great way to network with towns in your area to put your municipality on the path to successful certification in our program! Learn how to transition from bronze to silver certification, and gain resources from a variety of resource providers in Hunterdon, Morris, Passaic, Sussex, and Warren counties, along with private and non-profit sector areas. For a list of current resource providers, and more details about the networking event, please view our flyer at: [http://www.sustainablejersey.com/fileadmin/media/Events\\_and\\_Trainings/Add\\_Event/2013/Northern\\_NJ\\_Networking\\_Forum/SustainableResourcesForum](http://www.sustainablejersey.com/fileadmin/media/Events_and_Trainings/Add_Event/2013/Northern_NJ_Networking_Forum/SustainableResourcesForum)

This is a FREE Forum with a light buffet!

The event will be held:

April 16, 2013, from 5:00pm - 8:00pm

Sparta Middle School

350 Main Street, Sparta, NJ 07871
