SANDY RECOVERY SURVEY

APA-NJ is looking for your assistance in compiling an inventory of Sandy-recovery community planning assistance projects. The purpose of the inventory is to identify the gaps and overlaps of planning assistance so that future efforts can be targeted strategically. The results of the inventory will be posted on the APA-NJ website, and shared with NGOs, foundations, FEMA and state officials involved in the recovery process.

If you are facilitating workshops, seminars, projects, recovery managers or other types of recovery planning, please take a moment to complete the survey [here](#).

The survey is very short and should only take a couple minutes to complete. A response by Monday, April 14 would be appreciated.

For any questions, please contact APA-NJ at office@njplanning.org.
