**Agricultural Water
 Enhancement Program
 Funding: expires April
 19, 2013**

- Agricultural producers and land owners who have an interest in an agricultural operation predominantly located within one of three designated sub-watersheds of the Raritan River basin can apply for technical and financial assistance to implement farm practices that improve water quality. Application must be received by the Natural Resources Conservation Service (NRCS) by April 19, 2013, to be eligible for current funding.
- Contact |Bernie Isaacson
