THIS NOTICE HAS BEEN SENT TO THE FOLLOWING OFFICIALS: Municipal Clerk

Important Message from DCA Commissioner Richard Constable

Dear Mayor, Councilmember, Administrator, Planning Board Secretary:

The Division of Local Government Services highly recommends attending the Department of Community Affairs' Disaster Recovery Workshop on Saturday, April 20 focused on providing practical rebuilding tools and strategies for communities devastated by Superstorm Sandy.

There is no cost to attend these workshops.

You will hear how to organize and use the resources available to best advantage. You will hear case studies on how other cities rebuilt after natural disasters provided by the officials who lead those cities' recovery.

Mayors, governing body and planning and zoning board members, municipal managers, and business administrators will find that this workshop is unlike all the other conferences and workshops currently being offered.

It will provide practical answers to common problems facing so many officials in communities that experienced significant physical damage from Superstorm Sandy.

**WHERE: Toms River High School North
1245 Old Freehold Road, Toms River**

**WHEN: April 20, 2013
9 a.m. to 3:30 p.m.**

**WHERE: NJ Meadowlands Commission

WHEN: May 1, 2013

9 a.m. to 3:30 p.m.

Both programs will be followed by a networking reception, which will allow participants to speak informally with the guest speakers.
