March 31, 2014

(C)

Kristi Izzo, Board Secretary  
NJ Board of Public Utilities  
44 South Clinton Avenue  
9<sup>th</sup> Floor  
Trenton, NJ 08625-0350

Dear Ms Izzo:

This is to inform you that as of May 1, 2014 there will be some changes to select video service rates affecting Cablevision's new and existing video customers.

The rates that programmers charge for all programming, but in particular sports programming, have increased dramatically over the past several years and is responsible for the higher costs. We are now making a few targeted adjustments to address programming cost increases. The cost of Cablevision's lowest tier options, the Economy and Broadcast Basic packages, will not change. There will also be no change to equipment rates or one-time charges.

The new rates for select video packages/services for the attached tariffs are as follows: Grandfathered Optimum \$67.00; Grandfathered iO en español (with Economy and above) \$10.95; Grandfathered iO en español (with Broadcast Basic) \$18.95; Grandfathered iO en español – Commercial \$18.95; Optimum en español (with Economy and above) \$12.95; Optimum en español (with Broadcast Basic) \$20.95; Optimum en español – Commercial \$20.95; Optimum Business \$64.95; Total Business \$90.95; Optimum Entertainment \$100.95; Total Entertainment \$130.95; Grandfathered Sports & Entertainment Pak \$8.95; Playboy Package \$14.95; Sports Programming Surcharge \$4.98 and; DVR Service \$11.95.

Optimum continues to provide significant value to customers by offering content and programming that meet the needs and interests of the diverse communities we service. For example, in recent years we have launched 10 new networks into the Sports & Entertainment package as follows: *beIN Sports, beIN Sports en español, NFL Network, NFL Red Zone, ESPNU, Fox Soccer Plus, The Sportsman Channel, Fight Now, World Fishing Network and Goal Line/Buzzer Beater*. Over the past two years we also have continued to launch new highly requested networks into the a la carte Spanish language packages, including *Nat Geo Mundo, Cuba Play, Puerto Rico Network and Univision Deportes*.

Customers are being notified 30 days in advance of these changes through bill messages or inserts. In addition, rate information will be available on our website at [www.optimum.com](http://www.optimum.com).

Should you have any questions, please do not hesitate to contact me at 609-571-9041 or by email at [tbarnes1@cablevision.com](mailto:tbarnes1@cablevision.com).

Please note the Government Affairs office for New Jersey is located at 124 West State Street, Trenton, NJ 08608.

Sincerely,

R. Thurman Barnes  
Area Director Government & Public Affairs – NJ

## **Tariff for Cablevision of Morris**

### **H. Bulk Monthly Programming Rates**

Bulk monthly programming and installation charges negotiated by individual property.

### **Z. Other Terms:**

Rates may be subject to franchise fees which are determined by applicable state and federal law and regulations. Other federal, state and local fees or taxes may apply. Installation charges and equipment are subject to sales tax.

Applicable services, programming and equipment purchase or rental charges are additional to any connection charges. New customers are required to pay the first full month service charges and installation fees in advance.

Custom connections and pre-wiring will be undertaken upon request. Charges for non-standard installations and custom connections will be quoted prior to commencement of work. Deposits or partial advance payments may be required and are not refundable once work has commenced. Full payment due upon completion of work.

Parental Guidance Control: Cable boxes may be equipped with a device that enables a temporary "lock out" of programming or "pay per view" purchases at your option. Refer to the cable box user's manual or call customer service for information.

All outside wiring connections must be performed by Cablevision with Cablevision equipment. Inside wiring, including the connection of antenna A/B switches and VCRs, not performed by Cablevision must meet our technical standards. A/B switches purchased from sources other than Cablevision must also meet Cablevision's technical standards.

Channel Selectors/cable boxes, wireless hand-held remote controls and certain other equipment are the property of Cablevision and must be returned when service is changed or disconnected. In the event a channel selector/cable box, remote control or other equipment is lost, stolen, damaged or not returned, Cablevision will charge your account the replacement fee for each piece of equipment as listed in Section C "Replacement".

An adult (18 years or older) member of household must be present during connection and service appointments.

Cablevision reserves the right to institute different rates and/or terms and conditions of service for promotional purposes.

Downgrades are free within 30 days of a change in rates or retiering of services.

Cablevision imposes a returned check fee for all payments that result in uncollected funds. If account is 60 days past due, an additional charge on that portion of your bill will appear on statement as a Late Payment Fee, see Section D for specific fees.
