Dear Ms. Engers Fasano:

The New Jersey Department of Environmental Protection (Department) has completed review of the Remedial Action Report received on March 27, 2014. The Department has determined that the Remedial Action Report is in compliance with the Technical Requirements for Site Remediation, N.J.A.C. 7:26E and other applicable requirements. The Department hereby approves the Remedial Action Report for soils, effective the date of this letter.

The Underground Storage Tank Remedial Action Report dated January 2014 addressing the on-site ground water remediation, also received March 27, 2014, is currently under review by this Department and will be addressed under separate cover.

Thank you for your cooperation in this matter. If you have any questions, call Gloria Grant at (973) 631-6405.

Sincerely,

A handwritten signature in black ink, appearing to read "Dave Oster". The signature is fluid and cursive, with the first name "Dave" being larger and more prominent than the last name "Oster".
