RE: Application for a Special Permit for a Golf Facility Filed on Behalf of  
 Berkshire BCG, LLC

Dear Mayor Greenbaum:

The Division of Alcoholic Beverage Control recently received an application filed by Berkshire BCG, LLC which seeks approval of a Special Permit for a Golf Facility. The application indicates that Berkshire BCG, LLC will operate at the premises pursuant to an Agreement with the Morris County Park Commission.

A Special Permit for a Golf Facility, issued pursuant to N.J.A.C. 13:2-5.3, would authorize the applicant to sell and serve alcoholic beverages for on-premises consumption only, within the Flanders Valley Golf Course located at 81 Pleasant Hill Road, Flanders, NJ. Alcoholic beverage activity would be permitted only during the legal hours of sale established by the Township of Mount Olive.

I am providing you with this notification to ensure your awareness of this request for a State issued license to operate within the municipal limits of the Township of Mount Olive. Please provide the Division with any relevant written comments or observations within 14 days from the date of this letter.

If you have any questions, please contact Kelly Troilo at 609-984-2656.

Very truly yours,

Michael Halfacre  
 Director
