Subject: Nominate Your Raritan Heroes - June 5 Deadline

Greetings!

Has your community, or a business or individual in your community done something outstanding to make the Raritan Basin a better place to live, work and raise a family? We would like to honor them.

We are accepting nominations for the 2013 Sustainable Raritan River Awards and we want to know who from your community should be nominated? We give awards in public education, government innovation, stewardship, public access, remediation and redevelopment, sustainable business, and leadership.

I've attached a nomination information sheet with all the details and I encourage you to share this with your colleagues who may know a quality candidate.

Our deadline for nominations is June 5. Please contact Michael Catania (mcatania@dukefarms.org) or Bill Kibler (bkibler@raritanheadwaters.org) with your nominations.

Thank you,

Sara
