To Whom It May Concern:

This letter is to provide legal notification pursuant to NJAC 7:7A-9.5c that the Morris County Mosquito Commission is applying to the New Jersey Department of Environmental Protection (NJDEP), Land Use Regulation Program for a countywide Freshwater Wetlands Statewide General Permit 1 and a countywide Flood Hazard Act General Permit 4.

This letter to inform you that the Morris County Mosquito Commission is submitting an application for a permit to the New Jersey Department of Environmental Protection (NJDEP) under the Freshwater Wetlands Protection Act Rules, N.J.A.C. 7:7A. The countywide permit will authorize the Morris County Mosquito Commission to conduct regulated activities in wetlands and transitional areas on properties throughout Morris County for the purpose of mosquito control.

If you would like to inspect a copy of my application, it is on file at the Municipal Clerk's Office in the town in which the property is located, or you can call the NJDEP at (609) 777-0454 to make an appointment to see my application at NJDEP offices in Trenton during normal business hours.

The rules governing freshwater wetlands permits and approvals are found in the NJDEP's Freshwater Wetlands Protection Act rules at N.J.A.C. 7:7A. You can view or download these rules on the NJDEP Land Use Regulation Program website at [www.state.nj.us/dep/landuse](http://www.state.nj.us/dep/landuse), or you can find a copy of these rules in the county law library in your county courthouse.

As part of the NJDEP's review of my application, NJDEP personnel may visit my property, and the portion of any neighboring property that lies within 150 feet of my property line, to perform a site inspection. This site inspection will involve only a visual inspection and possibly minor soil borings using a 4" diameter hand

auger. The inspection will not result in any damage to vegetation or to property improvements.

The NJDEP welcomes any comments you may have on my application. If you wish to comment on my application, comments should be submitted to the NJDEP *in writing* within 30 days after the Department publishes notice of the application in the DEP Bulletin. The Department shall consider all written comments submitted within this time. The Department may, in its discretion, consider comments submitted after this date. Comments cannot be accepted by telephone. Please submit any comments you may have *in writing, along with a copy of this letter*, to:

New Jersey Department of Environmental Protection  
Division of Land Use Regulation  
Mail Code 501-02A  
P.O. Box 420  
Trenton, New Jersey 08625  
Att: Morris Section Chief

When the NJDEP has decided whether or not my application qualifies for approval under the Freshwater Wetlands Protection Act rules, NJDEP will notify the municipal clerk of the final decision on my application.

If you have questions about my application, you can contact my agent, below.

**Please forward the enclosed letters to the appropriate boards:  
Construction Official, Environmental Commission and Planning Board.**

Sincerely,

Kristian McMorland, Superintendent
