RE: Technical Training for Water Infrastructure Resiliency Announced

Dear Mayor:

Please share with this announcement with your municipal engineer and other appropriate professionals.

We have just been advised of the scheduling of valuable technical training for local (municipal and county) and private systems' engineers regarding infrastructure improvements to promote resiliency in rebuilds and upgrades. This session is *sponsored by New Jersey Department of Environmental Protection, NJ Office of Emergency Management, FEMA and Monmouth University.*

- Date: May 29, 2013
- Time: 9am-1pm
- Location: Monmouth University, Anacon A Hall (webinar available at: <https://www1.gotomeeting.com/register/926862336>), for a campus map: http://www.monmouth.edu/about_monmouth/abo_glance_campusmap.asp)
- Live webinar available
- Audience: Public and Private Entities' Engineers

Please pre-register at **before May 24th: www.njeit.org/sandytraining/**

First half of training will cover items relative to both public and private water industry regarding rebuilding for resiliency (NJDEP); the second half will be specific to those eligible for FEMA Public Assistance (PA): technical training on preparing Project Worksheets (PWs) and mitigation work plans (OEM/ FEMA).

In light of the timing of this alert, we have asked the sponsors to extend the registration deadline until next Tuesday, May 28. We will keep you posted. In the meantime, if you have any questions, please contact **Deven M. Patel**, Principal Engineer, NJDOT - Division of Local Aid & Economic Development - at 609-530-6356 or deven.patel@dot.state.nj.us

Thank you.

Very truly yours,

William G. Dressel, Jr.
Executive Director
