Join us for a day of workshops and discussions to learn what others know about the quality of the river and rebuilding our economy in the region. The day culminates with the Annual Raritan Award and some fun post-conference events including a chance to sail on the A.J. Meerwald, New Jersey's Tall Ship and tours by the Crossroads of the American Revolution and the East Coast Greenway Alliance of New Jersey.

The Sustainable Raritan River Conference is especially for municipal leaders, business leaders, county officials, non-profit organizations, state and federal government officials, environmental commissions, and civic-minded residents of All 98 Raritan River Basin communities. Continuing education credits available.

Continuing education credits offered for planners, engineers, landscape architects, public works directors and flood plain managers.
