**The 5th Annual Sustainable Raritan River Conference**  
Tuesday, June 11, 2013  
***Fishable and Swimmable: the Clean Water Act at 40***

[Register Now!](#)

## Water.

From Budd Lake and Lake Carnegie to Raritan Bay, water affects every aspect of our lives and our communities.

From recreational uses to its essential purpose in our homes and businesses, water is critical to our quality of life.

## **The 5th Annual Sustainable Raritan River Conference**

### **Fishable and Swimmable: The Clean Water Act at 40**

***Tuesday, June 11, 2013***

*at the Edward J. Bloustein School of Planning and Public Policy  
on the campus of Rutgers University  
33 Livingston Avenue | New Brunswick, NJ*

For information visit <http://www.raritan.rutgers.edu>

[Register Here](#)

Join us for a day of learning and sharing facts challenges and opportunities on water quality in the Raritan River Basin for the benefit of our communities, our businesses and our environment. Then sail on New Jersey's Tall Ship, the *A.J. Meerwald*, take a tour of historic Perth Amboy, or bike from New Brunswick to Perth Amboy on the Middlesex Greenway.

The Conference brings together municipal officials, business leaders, county administrators, non-profit organization leaders, state and federal government officials, environmental commissions, and others from across the watershed.

*CEUs: planners, engineers, floodplain managers, public works directors and landscape architects.*

Sponsored by the Sustainable Raritan River Collaborative, and Rutgers, The State University of New Jersey. We are proud to have these other valued sponsors from across the spectrum: New Jersey League of Municipalities, the American Planning Association–New Jersey Chapter, the Floodplain Managers of the States, and our many corporate sponsors: Pfizer, Langan Engineering, Bayshore Recycling, Great Ecology, Sadat & Associates and many more.
