bike ride in Morristown at the end of the month! Those who participated will find out more soon!

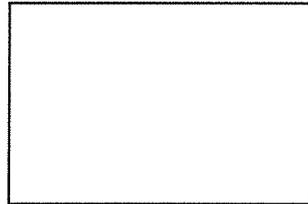

## Junior Solar Sprints Victory for Turtle Time

Another year of Junior Solar Sprints is in the books, with the 2013 Overall Championship going to Turtle Time from Mt. Pleasant Middle School. A big thank

you to all of our sponsors, volunteers and participants! [Read more...](#)

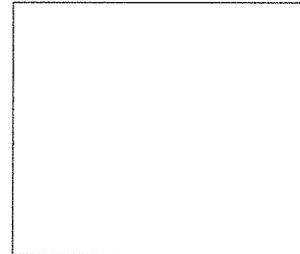

## Thanks to Our JSS Volunteers

## TransOptions Participates in Be Thumbody Campaign

From May 27th to June 7th, TransOptions encouraged everyone to "Be Thumbody," raising awareness of distracted driving and reminding drivers to keep their hands (and thumbs) on the wheel at all times. Over the two weeks, we featured a number of colorful characters on our Facebook page and encouraged our followers to do the same. [Read more...](#)

We couldn't have done it without you! A special thanks to all of our volunteers who made the 2013 Junior Solar Sprints program possible:

## MCEDC Offers Businesses What They Need

This month, instead of highlighting a New Jersey Smart Workplace, we're shining the spotlight on an agency TransOptions works closely with to assist future and current Morris County employers. The Morris County Economic Development Corporation (MCEDC) is a collaboration of government, business and community partners dedicated to growing the economy of Morris

County. [Read more...](#)

## Growing Greener After Getting "MAD"

Sustainable transportation is thriving and growing in the Borough of Madison. This charming, cosmopolitan and environmentally-friendly university town in northwestern New Jersey has been implementing alternative transportation programs that improve mobility and the quality of life for people living, working and visiting the Borough. ## Walk to School Days A Big Hit

May is always a busy month for walking to school, as the temperatures rise and the jackets come off. This May was no different. We worked with a number of schools in the area that have a high walking population by sponsoring their Walk to School Days. We set up at the main entrance of each school to reward walkers with fun, free and

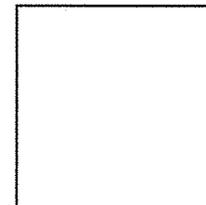

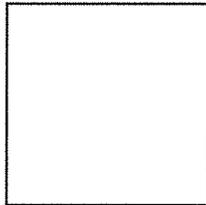

educational items such as bookmarks, stickers and reflective zipper pulls. [Read more...](#)

## Sussex County Community Workshop

Join Sussex County and the North Jersey Transportation Planning Authority to learn about the Sussex County Complete Streets Study, which will investigate and recommend possible context sensitive solutions to safely integrating various modes of transportation (cars, bikes, walking, etc) into the County's rural transportation network.
